RIVERSIDE VILLAGE

Live in Prata

Living at Prata Riverside Village is to opt into some rare privileges which will make your life a new life, just meters away from the Tagus River and the new Oriente Riverfront Park. A new area of the city, perfect for a stroll, for a run, for a bike ride or just meditating to the sound of the river flow.

It is going to a coffee unlike any other in town. It is going to the P'la Arte Art Market as if visiting neighbours. It is finding unique retails and restaurant concepts just around the corner. And, of course, it is having all this just a few minutes from the historical downtown, the international airport, the iconic Park of Nations, and the creative Hub of Beato.
